

Shirley Ryan Ability Lab Awarded

“Their experience with all aspects of design, attention to detail and years of construction experience truly helped the team”
- **Matthew Campbell**
MedProperties Group

The ARCH team is proud to announce that the new medical office building for Shirley Ryan Ability Lab in Burr Ridge, Illinois was awarded the “Best New Medical Office Building” at the Healthcare Real Estate Insights awards. ARCH served as Owner’s Representative ensuring the aggressive construction schedule was maintained for the Developer, MedProperties Group.

ARCH on the Road

ARCH is dedicated to lifelong learning and attending the following conferences in the coming months:

- *NIC Spring Conference*
- *SFCS By Design Conference*
- *Interface Seniors Housing West*
- *LeadingAge Leadership Summit*
- *LeadingAge Illinois*
- *LeadingAge Maryland*

Let us know if you will be there, we would love to connect.

Glenmere Kick-Off

The Village at Rockville, a National Lutheran Community, has kicked off construction efforts for the new Glenmere project. Howard Shockey and Sons was selected as the General Contractor for the project that includes 130 independent living units and activity space with a beautiful aquatics/wellness center.
