

ARCH NEWS

Ground Breaking

Homewood at Frederick commemorated The Lodge expansion project at their ground breaking event. We are excited to partner with a great team to provide additional independent living units to current and future community residents.

Grand Opening

Thrilled to celebrate the open-house of the new assisted living neighborhood at Village at Orchard Ridge and the new memory care neighborhood at The Village at Augsburg; each neighborhood will provide a balance of freedom and care with connected living programming designed to support the mind, body, and spirit.

ARCH Welcomes New Team Member

Please join us in welcoming Timothy Winnecke to the ARCH team. Mr. Winnecke has 20 years of experience in design, finance, development and capital project management. Prior to joining ARCH, Tim spent a decade with Northwestern Memorial Healthcare leading capital projects, construction, development and finance efforts.
