

## BROADMEAD CENTER

Broadmead's multi-phase repositioning project includes a new entry, updated commons, renovated health care spaces and a reimaged Center of Wellness. The site continues to bloom with construction activity as the expansion and renovation to the existing Community Center building moves towards completion this Spring. ARCH served as the Development Advisor from initial planning through construction.

## ARCH TEAM DINNER

The team celebrated another successful year by dining together at one of the first Senior Construction Administrator's project locations.

We rang in the New Year toasting our team and excited for the projects in the upcoming year.

## LEADINGAGE LEADERSHIP SUMMIT

ARCH is excited to attend the LeadingAge Leadership Summit in Washington, D.C.

We look forward to connecting in-person with industry leaders and provider organizations.

The conference concludes with Congressional Hill visits affording opportunities to address key messages to lawmakers.
