

MARIAN VILLAGE GRAND OPENING

Franciscan Ministries' Marian Village in Homer Glen, Illinois has completed their new addition set to open this summer. Ancora is a new single-story addition consisting of 36 Memory Care units and a renovation of existing Assisted Living areas, additional parking, and roadways. The new addition and renovations include new multi-purpose spaces, serving kitchens, and dining areas. "Ancora will expand the memory-related and dementia healthcare services for Marian Village with a team who will help create an environment to ensure that our current and future residents will live with dignity and the highest quality of care", says Cari Saysongkham, Executive Director of Marian Village. ARCH served as Owner's Representative, assisting from bidding and budgets to final close-out.

ARCH WELCOMES NEW TEAM MEMBER

Please join us in welcoming Carlos Faria to the ARCH team! Carlos is a graduate of the College of Business at Illinois State University, where he earned a Bachelor of Science in Integrated Marketing Communications. Passionate about Digital Marketing, Carlos is excited to bring a fresh perspective and creative energy to the team. He looks forward and is eager to support ARCH's marketing efforts, contribute to new projects, and continue to develop his skills at ARCH!
